Dear Friends,

The Regional Recovery Network is excited to host our 2ed annual Recovery Fest on Saturday,September 12, 2009 from 10 a.m.- 4 p.m. at the Redmond Creek Recreation area, Lake Wappapello, Missouri. In case of inclement weather, the festival will be held on September 19<sup>th</sup> at the same location. The Lake Army Corps of Engineers have cordially invited us to use their facilities and create a successful event once again.

We are asking for help from the generous members of our local communities through donations to offset the cost.

The Regional Recovery Network is a non-profit 501C3 organization created to offer recovering individuals of alcohol, drug and other self-defeating behaviors a positive environment, in which others involved could also identify with their personal experiences. With groups comprised from Southeast Missouri and Northeast Arkansas, it is our endeavor to link all recovery groups and organizations together for the common good and development of restoring individuals back into the workforce as productive members of our society and reduce the stigma associated with recovery. It is our goal and purpose to gain the knowledge, tools and resources to encourage personal growth within our communities. The Recovery Festival will be a one-day event featuring speakers, music, games, free food, refreshments and family fun.

Congresswoman Jo Ann Emerson, Senator Rob Mayer and Representative Gayle Kingery have been invited to speak and help us celebrate this event. The public is cordially invited to join us.

Please send your contribution to the above address or contact the Regional Recovery Network with any other questions you may have.

Very truly,

Austin L. Montague

Director- Regional Recovery Network
